Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the AI and Cybersecurity Research and Training Center in Fiscal Year 2025. The entity to receive funding for this project is Palm Beach State College, located at 4200 S. Congress Avenue, Lake Worth, Florida 33461. This is a valuable use of taxpayer funds because it will help advance knowledge on AI and cybersecurity, which are essential in a rapidly-developing world with increased cyber threats and an increased presence of AI in all facets of daily life.

The project has a Federal nexus because the funding provided is for purposes authorized in section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel  
Member of Congress
