Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Fern Street Extension and Rail Safety Project in Fiscal Year 2025. The entity to receive funding for this project is the City of West Palm Beach, located at 401 Clematis Street, West Palm Beach, FL 33401. The funding would be used to ease traffic congestion, enhance safety, and promote multi-modal connectivity in downtown West Palm Beach. The project is an appropriate use of taxpayer funds because it improves safety for pedestrians, bikers, and vehicles.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 22907 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
