Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Boynton Harbor Marina Seawall Replacement in Fiscal Year 2026. The entity to receive funding for this project is the Boynton Beach Community Redevelopment Agency, located at 100 East Ocean Avenue, 4<sup>th</sup> Floor, Boynton Beach, FL 33435. The funding would be used to replace the commercial seawall in the marina harbor. The project is an appropriate use of taxpayer funds because it will reduce long-term costs associated with mitigating for adverse effects of the structure and the homes and businesses it protects in the case of a major coastal storm.

The project has a federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel  
Member of Congress
