Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Boynton Beach Sanitary Sewer Collection System Improvement Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Boynton Beach, located at 100 East Ocean Avenue, 4<sup>th</sup> Floor, Boynton Beach, FL 33435. The funding would be used to replace existing sanitary sewer pipes. The project is an appropriate use of taxpayer funds because it will reduce potential sewer spills, which saves the City future expenses, as well as helps improve public health and safety.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel  
Member of Congress
