Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Water Treatment Plant Control Panel Upgrade in Fiscal Year 2026. The entity to receive funding for this project is the Town of Lantana, located at 500 Greynolds Circle, Lantana, Florida 33462. The funding would be used to upgrade critical water infrastructure. The project is an appropriate use of taxpayer funds because it would maintain Safe Drinking Water Act Standards and operation of the town's water treatment plant to protect public health.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
