Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Old Okeechobee Railroad Crossing Safety Project in Fiscal Year 2026. The entity to receive funding for this project is the City of West Palm Beach, located at 401 Clematis Street, West Palm Beach, Florida 33401. The funding would be used to close the southbound slip lane on Parker Avenue, implement a new traffic signal to manage traffic, and enhance multimodal access. The project is an appropriate use of taxpayer funds because it will enhance safety for vehicles and pedestrians, improve traffic flow, and make public transportation more accessible.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
