Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the FoundCare Facility Upgrades to Expand Access to Comprehensive Health Services project in Fiscal Year 2027. The entity to receive funding for this project is FoundCare, Inc., located at 2330 S Congress Ave, West Palm Beach, FL 33406. The funding would be used to expand service capacity, address critical infrastructure issues, and strengthen access to pediatric dental care, primary care, and behavioral health services under one roof. The project is an appropriate use of taxpayer funds because it will expand access to care, improve health outcomes, and reduce the overall burden on the health care system.

The project has a Federal nexus because the funding provided is for purposes authorized by the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
