Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Genesis Community Health Mobile Health Care project in Fiscal Year 2027. The entity to receive funding for this project is Genesis Community Health Inc., located at 639 E. Ocean Ave Suite 409 Boynton Beach, FL 33435. The funding would be used to acquire a fleet of three mobile medical units to deploy into Southern Palm Beach, Florida communities. The mobile units will focus on dental, primary, and HIV care and allow Genesis Community Health (GCH) to serve thousands of additional patients. This project is an appropriate use of taxpayer funds because this will expand access to comprehensive, affordable care and improve health outcomes across the County.

The project has a Federal nexus because the funding provided is for purposes authorized by the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
