Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Greenacres Fire Rescue Station in Fiscal Year 2027. The entity to receive funding for this project is the City of Greenacres, located at 5800 Melaleuca Lane Greenacres FL 33463. This project will support the construction of a third fire station within the City of Greenacres to assist in serving approximately 45,000 Greenacres residents, as well as more than 2,000 residents of the City of Atlantis. This is a valuable use of taxpayer funds because it will meet growing demand for fire protection in developing areas, ensuring residents receive timely emergency response, and that Fire Rescue personnel are properly supported to maintain public safety for the residents and visitors of Greenacres and Atlantis.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel  
Member of Congress
