Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Health Care District of Palm Beach County Federally Qualified Health Center Diagnostic Equipment Acquisition in Fiscal Year 2027. The entity to receive funding for this project is the Health Care District of Palm Beach County, located at 1515 North Flagler Street, West Palm Beach, FL 33401. This funding will expand the Health Care District's health centers' ability to deliver services in-house by investing in point-of-care diagnostic equipment and strengthening clinical capacity across sites and service lines, including primary care, pediatrics, women's health, and behavioral health. This is appropriate use of taxpayer funds because it will expand access to coordinated care and reduce delays in diagnosis and treatment.

The project has a Federal nexus because the funding provided is for purposes authorized by the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
