Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lake Clarke Shores Septic-to-Sewer Infrastructure Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Lake Clarke Shores, located at 1701 Barbados Rd, Lake Clarke Shores, FL 33406. The funding would be used to support the construction of a new sewer system to connect homes currently served by septic tanks to the Town-owned sewer system. The project is an appropriate use of taxpayer funds because it will reduce pollutants entering Lake Clarke, protect recreational waters, enhance wildlife habitat, and help improve Lake Clarke as a safe community resource.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel  
Member of Congress
