Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lake Worth Beach Downtown Garage and Alleyway Project in Fiscal Year 2027. The entity to receive funding for this project is the Lake Worth Beach Community Redevelopment Agency located at 1121 Lucerne Avenue, Lake Worth Beach, FL 33460. This project would build a public garage and revitalize severely blighted alleyways into pedestrian and bicycle paths that connect public parking to downtown businesses and affordable housing. This project is an appropriate use of taxpayer funds because it will increase foot-traffic, promote optimal land use versus scattered sites, support business growth and reinvestment, provide pedestrian and bicycle amenities to promote the economic development of Lake Worth Beach.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
