Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lantana Hillbrath Dr. Gravity Sewer Main Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Lantana, located at 500 Greynolds Circle, Lantana, FL 33462. The funding would be used to restore a sanitary sewer system that services an industrial site, eliminate exfiltration, and prevent overflows. The project is an appropriate use of taxpayer funds because it will reduce the discharge of pollutants in compliance with Clean Water Act standards.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
