Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Nursing Training Program Expansion in Palm Beach County in Fiscal Year 2027. The entity to receive funding for this project is Palm Beach County, located at 301 N. Olive Avenue, West Palm Beach, FL 33401. This funding will allow the County to purchase advanced simulation technology to support nurse training programs across the County and expand instructional opportunities for nursing students. This is a valuable use of taxpayer funds because this will help strengthen the health care workforce pipeline with prepared, highly qualified registered nurses who can meet this growing workforce demand.

The project has a Federal nexus because the funding provided is for purposes authorized by the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
