The Honorable Ron DeSantis
State of Florida
The Capitol
400 South Monroe St.
Tallahassee, FL 32399-0001

Dear Governor DeSantis,

We write to urge you to align state points of vaccine distribution with federal guidelines by including child care workers and teachers of any age in the current state distribution. Our educators and day care staff are confused by the conflicting guidelines between state and federal distribution sites. As essential workers, they should have access to vaccines at **all** sites.

Sincerely,

Lois Frankel
