Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for City of Delray Beach Water System Improvements in fiscal year 2024. The entity to receive funding for this project is the City of Delray Beach, located at 434 S. Swinton Avenue, City of Delray Beach, FL 33444. The funding would be used to rehabilitate water repump stations for the potable water system. The project is an appropriate use of taxpayer funds because the town has a population of 66,000 that depend on the municipality's ability to provide clean, safe drinking water.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel  
Member of Congress
