Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Town of Lantana for a Water Main Repair Project in fiscal year 2024. The entity to receive funding for this project is the Town of Lantana, located at 500 Greynolds Circle, Lantana FL 33462. The funding would be used to replace old water mains in the potable water distribution system. The project is an appropriate use of taxpayer funds because the town has a population of 11,500 that depend on the municipality's ability to provide clean, safe drinking water.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel  
Member of Congress
