Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the West Palm Beach Grandview Heights–Palm Avenue Pedestrian Safety Improvements Project in fiscal year 2025. The entity to receive funding for this project is the City of West Palm Beach, located at 401 Clematis Street, West Palm Beach, Florida 33401. The funding would be used to construct ADA-compliant curb ramps, traffic calming facilities, and bike lanes, reconfigure a roundabout, and upgrade pavement markings and street signs in the Grandview Heights Neighborhood of West Palm Beach. The project is an appropriate use of taxpayer funds because it will enhance the public safety of vehicles, bicyclists, and pedestrians.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
