Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Palm Beach State College IT Services and Student Incubator Space in Fiscal Year 2025. The entity to receive funding for this project is Palm Beach State College, located at 4200 S Congress Ave, Lake Worth, FL 33461. The funding would be used to remodel the college's library to create an IT services desk and collaborative workspaces for students. The project is an appropriate use of taxpayer funds because it will allow the college to better prepare students for success in the workforce.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
