Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Dreher Park Water Quality and Habitat Restoration Initiative in Fiscal Year 2026. The entity to receive funding for this project is the City of West Palm Beach, located at 401 Clematis Street, West Palm Beach, Florida 33401. The funding would be used improve the water filtration mechanism in Dreher Park to improve usability and drive economic activity to the park. This is a valuable use of taxpayer funds because it will make the water in the park cleaner and more usable for visitors and stimulate economic development in the area.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel  
Member of Congress
