Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Boynton Beach Drinking Water System Improvements Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Boynton Beach, located at 100 E. Ocean Ave, Boynton Beach, FL 33435. The funding would be used to install protective measures to prevent backflow conditions that could allow contaminated or non-potable water to enter the potable drinking water supply. The project is an appropriate use of taxpayer funds because it will strengthen the integrity and reliability of the community's drinking water system while ensuring compliance with safe drinking water standards.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel  
Member of Congress
