Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for a Water Main Repair Project in Fiscal Year 2023. The entity to receive funding for this project is the Town of Lantana located at 500 Greynolds Circle, Lantana, FL 33462. The funding would be used for engineering design, bidding assistance, construction management, and inspection services to replace asbestos cement water mains throughout the town.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lois Frankel
Member of Congress
