Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for a Bridging the Digital Divide through Virtualization, Virtual Reality and Augmented Reality Project in Fiscal Year 2023. The entity to receive funding for this project is Palm Beach State College located at 4200 Congress Avenue, Lake Worth, FL 33461. The funding would be used to train faculty and students in Artificial Intelligence and other technologies to help with workforce development and train students for these next generation careers.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lois Frankel  
Member of Congress
